

IBPI and Ross International Extend Partnership Through 2026

September 8, 2021 -- Jacksonville, FL – IBPI (www.IBPI.net) and Ross International (www.ross-international.com) have extended their partnership through December 2026. Ross has been the premier reverse supply chain provider to IBPI since 2001.

Ross has a wide breadth of services for dealers including:

- Purchasing All Brands of Used Copiers
- Trade In Price Sheet
- Lease Return Shipping Programs
- New Equipment Build, Deliver, and Install
- Project Work: No Job too Big
- Nationwide Logistics
- Warehousing New and Used Equipment
- Lessor Remarketing Programs
- Certified Hard Drive Wipes and Destruction
- Environmentally Responsible Disposal
- Inventory Management

Along with sister company, Mars International, Ross will continue to provide these services to IBPI Members for many years to come.
